Alexandria Gazette Washington & OHIO BAILBOAL

SATURDAY EVENING, OCTOBER 28,

A young lady's face betrayed a secret in a peculiar way a short time ago at Avon Springs. pear Rochester, N. Y. She had joined a piccio party in a visit to the springe, and as they were all sitting drinking the waters, her face was ob served to undergo a remarkable change. She was noted for the beauty of her complexion, but now it assumed a mottle appearance : large patches of a dark shade resembling the discoloration produced by a blow appeared on her cheeks and meck, and the skin surrounding the marks turned to a ghastly gray bue, Her triends became slarmed and summoned a physician, though she insisted that she was perfeetly well. On the physician's arr.val the phenomenon was explained. The young lady had applied a preparation to her face to give brilliance to her o molexion, and the sir, im-pregnated with the sulphur of the springs, had changed the effect of his ingredients, thus producing the di-figurement. There are many people whose real character will one day be similarly revealed .- Christian Herald

He told them his errand, and they followed him, and when he was in a lonely place they knocked hum down and took away the modey. The young robbers then went to a rifle store on Broadway and rurchesed for him for deally then went to a rifle store on Broadway and rur-chased, for sixty-five dollars, a repeating rifle, two revolvers, one rifle cover, two large bowie knives, four boxes of c ruridges, two fish-lines and hooks, and two be to in which to carry their pistols and knives. They contemplated starting in business as highway men on the pattern of their favorite herees, but the project was nipped in the hud by their arrest for robbing the boy. Christian Herald
